

Newmarket-Tay Power Distribution Ltd. Conditions of Service	Number: NT POWER COS-360-01 Issue Date: July, 2007
Embedded Market Participant	Next Review Date: February, 2015

1. Preamble

An embedded market participant, or *embedded wholesale Consumer*, is a *Consumer* who is registered as a market participant with the *IESO* and whose facility is not directly connected to the *IESO-controlled grid* but is connected to a *distribution system*.

2. Embedded Market Participant (effective as of Open Access)

All *embedded wholesale Consumers* within the *service area* of Newmarket-Tay Power Distribution Ltd. (NT POWER), once approved by the *IESO*, are required to inform NT POWER of their approved status, in writing.

A *Distribution Services Agreement* and a *Settlement Agreement* will be required between an *embedded wholesale Consumer* and NT POWER.

An *embedded wholesale Consumer* will be responsible for the ownership, installation and maintenance of the *meter installation* and contracting the services of a *meter service provider*. Responsibility for an existing *meter installation* will transfer from NT POWER to the *embedded wholesale Consumer* on the meter seal expiry date.
